Local Strategies to End Homelessness Framework

Addressing the root causes of homelessness by aligning systems to assure safe, healthy, and affordable housing for all Benton County residents.

1. Community and Organizational Systems & Policy Changes

2. Data Management, Common Assessment, Central Hub

Data management, assessment tools, and centralized services that avoid redundancies while also rapidly accessing desired supports.

3. Primary Prevention

Interventions that help address problems that contribute to homelessness and housing instability. Examples:

- Eviction prevention
- Rental assistance
- Rental subsidies
- Inclusionary zoning
- Rent payment assurance
- Discharge planning
- Income stabilization
- Ending violence
- Public education
- Political activism
- Affordable health care
- Livable neighborhoods
- Early childhood supports
- Poverty reduction strategies
- Anti-discrimination strategies

Secondary Prevention

Interventions that help address problems at an early stage which includes strategies that target people who are clearly at risk of, or have recently become homeless. Examples:

- Systems prevention
 - Institutional discharge
- Early interventions to help retain housing
 - Case management
 - Rent banks, etc.
 - Home repairs / maintenance services

4. Street Outreach & Rapid Response

Providing safe, accessible, and well-resourced crisis response while someone is homeless.

5. Emergency Response

Providing emergency supports like food and day programs, while someone is homeless.

6. Case Management/Care Coordination

7. Temporary Housing

Provision of temporary housing and ongoing supports to move someone out of homelessness. Examples:

- Residential Rehab
- Medical Respite
