Needs prioritization

Advocacy and some work to sort through where that advocacy would be most helpful
(Council, Advisory Boards, etc)

Bill: HCDAB or another body (staff, etc), needs to flesh out the implications and impacts of some of the recommendations. Deeper understanding of these is lacking, and hindering Council support and decision making

AST - Outreach team

Engagement with City Council

Re Central Park concerns

Alternatives and perspectives need to be presented to Council

Costs to City for the current situation

Best practices and experiences in other cities

Plans for redirection of efforts to more positive outcomes

Permanent shelter with services

Showers and bathrooms

Outreach efforts to connect with services

★ **Encouragement to engage with Parks/Police/Other city staff on solutions**

Re Housing priorities

★ **Need for discussion of the "vision of the community" that's embodied in the Ten Year Plan
Not just what do we need to do, but what's the community we're trying to build?**
