Governing Board meeting debrief - Sara I

- Discussion of process - agreement in general on the process, and recommendation that Leadership have ability to act on behalf of Governing Board.
- Discussion of advocacy -- policy items and the Keystone Strategies would have advocacy from Program Manager, HOAC Leadership, or others if coordinated with Shawn
- Some discussion of policy items -- SDC waivers vs exemption, and discussion of social service fund recommendation (item 8)
- Overall well received

Discussion: Need to develop more messaging resources that reflect the lived experience -- folks who are or have been homeless

- Intern to help develop - Nicole will work on this

Question: How are we thinking of tracking policy progress?

- Advocacy opportunity
- Calendar of policy items/events/progress updates

Recruiting more community members for advocacy work

May 23 - Tunison Center, another at the Julian -- recruiting people to do more advocacy
Messaging training

Benton County & Planning Commission (5/18) meeting on ADUs - State decision (SB1051) requires ADUs be allowed within UGB.
